Treasurer's Report

No report.

Old Business

Noise at night is still a problem throughout the neighborhoods when the students leave the bars. Could additional police presence help?

New Business

The fence on the 900 block of Conestoga Road in Rosemont has fallen across the sidewalk and into the road and there are two couches and other debris sitting on the lawn and driveway. The Township staff has been notified and is working with the family to help them with their situation.

Sam Horsey has taking over the responsibility of Radnor Township Watch due to Mrs. Bascome's illness. He will be advertising for new members to help patrol our Township.

There has been a rash of vandalism to residential mailboxes, stop signs and ornamental light fixture throughout the Township. Please report anything or anyone who seems suspicious to the 911 system.
